## NEW RULING ISSUED ON NATURALIZATION

On July 19, 1919, Congress passed an amendment to subdivision No. 7 of the Act of May 9, 1918, under which Bureau holds that an honorably discharged soldier after service during the present war may be naturalized without declaration, fee, or certificate of arrival, but the applicant must pass a preliminary examination before a U. S. Naturalization Examiner before he may file such petition. If found eligible by the court such applicant may be admitted to citizenship on the same date petition is filed.

Under the amendment above named this privilege will continue for one year after all American troops are returned to the United States. It is therefore suggested that all such honorably discharged soldiers known o desire naturalization be notified to appear before the U. S. Naturalization Examiner on the next regular date set for hearing naturalization cases in court.

He should have with him two witnesses, citizens of the United States, able to identify him.

The next hearing to be held in the superior court of this county will take place on Tuesday, August 26 at 10 o'clock a. m.

The new citizens that will be admitted on that date are to be impressed with the seriousness of their obligations and the importance of the step they are about to take by the rendition of a formal program. Good speakers are to be present to address them on the duties of citizenship, the value of said citizenship and the importance of the obligations they are about to take. Patriotic songs will be rendered. It will be a gala day for the new citizens who will go from the court house feeling better for having become American citizens and will bear with them impressions of their duties as such.

## JOHNSON-FOR-PRESIDENT CLUB WILL HOLD ROUSING MEETING IN SAN MATEO ON AUGUST 12

Great interest is being taken in the coming meeting to be held in San Mateo for the purpose of forming a county organization for the purpose of promoting the Republican nomination and candidacy of Hiram Johnson for president of the United States.

The meeting will be held in the high school auditorium Tuesday evening, August 12th. Daniel Ryan, San Francisco attorney, will be the principal speaker. State Senator M. B. Johnson will act as chairman of the evening.

The temporary committee is headed by Ambrose McSweeney as temporary chairman and A. P. Bellisle of San Mateo as temporary secretary. It is under their directions that the preliminary work is being done pertaining to the calling of the general meeting and arranging the program of speakers. Mrs. Elizabeth M. Nash, county clerk, is in charge of the membership.

The entire Third township will be well represented at the big meeting in San Mateo.

The following call has been issued by the temporary committee:

A meeting has been called by the undersigned citizens for Tuesday, August 12, 1919, at 8 o'clock p. m. at the high school auditorium in San Mateo, for the purpose of forming a county organization to assist in bringing about the nomination of Hiram W. Johnson for President of the United States.

We believe that Hiram W. Johnson as President would serve the nation as usefully as he served California. We believe that the Republicans of California should send to the Republican National Convention next year a delegation pledged to the nomination of Hiram W. Johnson, and ought to make an organized effort to convince both the leaders and the rank and file of the Republican party throughout the land that Hiram W. Johnson is the fittest man to lead the party to victory and power in 1920.

It is our aim to form an organization thoroughly representative of San Mateo county to affiliate later with the California organization. While we feel that all California is behind Johnson in spirit, we want to be active in our support.

Your name has been given to the committee on organization as one who would be interested and we therefore hope to meet you at the conference on next Tuesday evening.

Mr. Daniel A. Ryan of San Francisco and other good speakers will be present.

## COUNTY TREASURER CHAMBERLAIN WILL VISIT SCENES OF CHILDHOOD

The national meeting of the Grand Army of the Republic will take place on September 5 at Columbus, Ohio. It is to be one of the largest gatherings in the history of that organization and the most important.

P. P. Chamberlain, the popular county treasurer, is to attend. This will be Mr. Chamberalin's first real vacation he has taken since he assumed the duties of treasurer in January 1884. He intends to be away a month during which time he will visit many of the large cities of the east. Mr. Chamberlain will visit his boyhood home in Wisconsin before returning.

In 1867 he bid farewell to the scenes of his youth and turned his face to the west arriving in that year at Redwood City. This is to be his first visit east since coming here over a half century ago. For a long time he has contemplated this trip and now in the sunset of life his wishes are to be satisfied. As a young man he joined the colors from his native state at the outbreak of the civil war and served throughout that unpleasantness, making a splendid record in the service. He participated in many of the big battles of the war, in which he distinguished himself for bravery and for coolness while under fire. Mr. Chamberlain has earned his vacation and once again he will meet the veterans of '61 to talk over the events of those exciting times. A grateful country will certainly honor these veterans as they gather at Columbus next month. Many may not be present at the gathering next year for the shadows are falling rapidly for a large number.

The National Woman's Relief Corps will also meet at Columbus at that time. Mrs. Mary Winter will represent the Relief Corps here.

Among those who will accompany Mrs. Winter east are Mrs. Annie Bovyer, Mrs. Geraldine Frisbie, Mrs. George Winter, Mrs. Kenneth Murray and others.

## THE SUPERVISORS HOLD MEETING

The board of supervisors met in regular session Monday, August 4, 1919, at 10 a. m., there being present John MacBain, presiding; T. L. Hickey, W. H. Brown, Jos. M. Francis and Dr. C. V. Thompson.

The board took up at this time the question of repairing the old San Gregorio-Tunitas road from the town of San Gregorio to the top o fthe hill, with the idea of abandoning the new road built in 1914 through the Ross property.

Judge Edward F. Fitzpatrick of Redwood City, representing those opposing the abandoning the new road, addressed the board in the matter, stating that he did not see any urgency of reopening the old road and the closing of the new one at this time; that the present money situation was such that he didn't consider it wise to ubrden the people of the county with any extra expense to carry on this work.

Attorney Lee T. Ross, representing the people of the Fifth district favoring the old road, stating that the majority of the people of the Fifth township desired to have the new road closed. One of the roads, he said, should be abandoned and it was a question as to which one could be put in permanent repair for the least expenditure of money. He suggested before any action is taken that a thorough investigation be conducted by the supervisors to ascertain the exact cost of repairing the old road and putting it in condition, advocating, if the repairs are made, that a concrete base be constructed.

Supervisor Brown suggested that the county engineer carefully ascertain the exact cost of repairing both roads and putting them in first-class condition.

After further discussion in the matter, it was decided, on motion of Thompson, seconded by Hickey, that the engineer prepare plans and specifications and have them ready for the meeting of August 18, for repairing the new road.

John V. Souza, San Gregorio farmer, addressed the board in opposition to closing the new road and reopening the old one.

On motion of Hickey, seconded by Thompson, peddlers licenses were granted to John J. Walsh, of South San Francisco ,and Eli J. Allemand of Visitacion.

County Surveyor George A. Kneese submitted a report stating that A Mattson of Millbrae had completed his contract for the construction of a headwall and wingwall on the San Gregorio road and recommending the acceptance of the contract.

The report of the surveyor was accepted, on motion of Thompson, seconded by Hickey.

A communication was received from United States Senator James D. Phelan, acknowledging receipt of the protest from the board of supervisors against the continuance of the Base Hospital near Menlo Park as a permanent institution. Senator Phelan stated in his letter that he had taken the matter up with Surgeon-General Blue of the U. S. Health Bureau and the latter had informed him that it was the intention of the department to maintain the hospital as a permanent institution.

A similar communication was received from United States Senator Hiram W. Johnson. Both letters were ordered filed.

A petition signed by Attorney John W. Burdette and others, asking for the abandonment of a portion of the right-of-way of the Alameda de Las Pulgas road from San Carlos to the Belmont-Halfmoon Bay road was received.

Supervisor Brown addressed the board in the matter and stated that the portion of the road that the petitioners asked to have abandoned was near Reid's school, lately taken over by Archbishop Hanna, and that a new road had been constructed to take care of the old one.

On motion of Brown, seconded by Hickey, it was ordered that the petition be accepted and filed.

A communication was received from A. R. Hiett, secretary of Engineers' local, No. 59, advising the board that the wage scale of engineers would be $9 a day or $200 a month on and after October 1.

A communication was received from Frank L. Eskward, assistant secretary of the Three-Cities Mosquito Abatement district, in which it was stated that the amount of money required for carrying on the extermination work in the district during the coming fiscal year had been established at $8,000.

On motion of Brown, seconded by Hickey, the communication was ordered placed in the hands of the county auditor.

A communication signed by Archbishop Edward J. Hanna, Attorney J. W. Burdette and others was received protesting against any plan to erect and maintain a tuberculosis hospital on the Brittan property at San Carlos, the petitioners arguing that an institution of this kind would be detrimental to the health and welfare of the residents of the district, as well as injurious to the surrounding property.

A similar petition was received signed by John W. Cowgill and a large number of other residents of San Carlos.

In connection with the above matter, Supervisor Brown explained that he had been approached by a San Francisco attorney recently and asked what the possibilities were for establishing a hospital on the Brittan place. Supervisor Brown stated that he informed the attorney that the proper proceedure was to present a petition to the board, asking for a permit.

On motion of Brown, seconded by Hickey, the two petitions were received and ordered placed on file for future reference.

County Purchasing Agent Ernest Werder presented a check from the Traverel's Insurance Company for $30 issued in the name of the supervisors and covering an accident that befell J. J. Mesquite, traffic officer in the Fifth township, recently.

On motion of Thompson, seconded by Hickey, the clerk was directed to endorse the check and send the same to Mesquite.

Mrs. Annie M. Godfrey of Burlingame, president of the Parent-Teachers' Association, addressed a communication to the board and appeared in person at the meeting to secure the co-operation of the supervisors in the Americanization work that is being carried on in the county, the first step of which is to arrange for a ceremonial on August 26 next when some 21 men will appear in the superior court to receive their final naturalization papers.

County Surveyor George A. Kneese submitted plans and specifications which were accepted, on motion of Hickey, seconded by Thompson, for a concrete retaining wall on the La Honda road, in the Third township, and the clerk was directed to advertise for bids for the work to be opened on Monday, September 2, 1919.

Supervisor Hickey addressed the board relative to the wages laborers present scale calls for $3.50 a day, which is considerably lower, he explained, than private concerns are paying.

After some discussion in the matter, it was ordered, on motion of Hickey, seconded by Brown, that the minimum pay for county laborers eb fixed at $3.50 a day and the maximum $4.50 a day, and that the pay allowed for teams be fixed at $8.00 per day.

County Surveyor Kneese addressed the board relative to taking action to secure a place for the county library in the basement of the court house, as had been suggested at the last meeting, so as to provide more office accommodations for the surveyor, Miss Bailey, the librarian, having signified her willingness to make the change.

On motion of Thompson, seconded by Hickey, the matter was left in the hands of Chairman MacBain to act as he sees best.

In compliance with a request from Mrs. Martha George, secretary of Gen Geo. S. Evans Relief Corps, the board, on motion of Brown, seconded by Thompson, made the usual annual donation of $50 toward the care of the Grand Army plot in Union Cemetery ,Redwood City.

# MENLO PARK NEWS OF ALL SORTS

## Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Roland Midgley, the young electrician, will celebrate his twenty-first birthday at his mother's home on Mills avenue this evening. He will be a host at a dinner given to twenty friends. The happy occasion will be a joyous one both to the young man and his guests.

Richard Sprague and family have moved to the Menlo Park Golf and Country Club's house. They have rented their pretty home at Atherton.

Miss Mamie Roche, the noted anesthetist, spent last Sunday here with her father, brothers and sisters having arrived from the east last Saturday. In June the young nurse arrived from overseas having spent two years in France. She was the first young lady to enlist in the army nurse corps after the declaration of war and with a small unit landed in France in the spring of 1917. She did heroic work in the hospitals close to the front lines. Dr. Crile who organized the corps speaks in glowing terms of the patriotic services of the young army nurse. Miss Roche had charge of the British and American hospitals. There were no American hospitals when she arrived in Europe.

For her heroic services rendered the British soldiers, King George bestowed upon her the ribbon of honor which entitles her to a service medal when ever she visits England and she will at some time in the not distant future journey to the other side to receive the coveted prize. Miss Roche ,during the war gave over 10,000 anesthetics to wounded and bleeding soldiers that were brought to her hospital. Miss Roche had a thrilling experience in her work in many occasions when near the front. A large hospital she was in near the battle line was bombed by the Hun one evening. There were a number of German soldiers in the institution together with British and American men. Many were killed by the bursting shells. The Tommies and Sammies never whimpered but the Hun soldiers showed the white feather by screaming and yelling and denouncing the cruelties of their countrymen. Miss Roche was discharged from the army some time ago. She will make her home in San Francisco for the present. Her sister, Mrs. Cecelia Linde, wife of Doctor Linde, arrived here last Saturday accompanied by her young daughter from the Samoan Islands where her husband is a surgeon at the U. S. Naval station there. He enlisted in the medical corps when the war broke out. He is expected to be discharged from the army in a few months when he will practice his profession in San Francisco.

Owen O'Donnell, proprietor of the Polhemus dairy at Atherton, has purchased a prize bull from William Langley of La Honda. The animal has a splendid pedigree. It is said Mr. O'Donnell paid $1500 for the bull.

Mrs. Henry W. Smith and daughter Rosalie, left Saturday for a two weeks' visit with friends in Los Angeles and San Diego.

The school bond election at Ravenswood last Monday resulted in 52 votes being cast for the bonds. There was no vote against the issue. The amount raised by the eletcion was $3500. The trustees have already awarded a contract for additional class room to the new school building at Runnymede and also an open air play room. J. F. Collins is to do the work in 30 days for $2900.

Major General C. A. Devol who recently purchased the Captain Bolles place on Santa Cruz avenue and who is occupying the beautiful residence, has been selected by the government to distribute vast stores of foodstuffs that is about to be sold directly to the people. The general is the commander of the Presidio.

The Tonopah Daily Times of recent date has this to say about a former resident of Menlo Park. Dr. White Wolf left here last spring for Tonopah:

Dr. White Wolf, who speaks at the Butler tonight, was born on the Choctaw reservation over 76 years ago. He was in his first battle with the white people at the age of 11 years. He was with Sitting Bull at the time of the Custer fight in 1876. He led the Apache Indians through Yellowstone over 48 years ago, when a reward was offered of $50,000 for him dead or alive. The history of the Indian wars tell how White Wolf fought under old Chief Broadrodes and how White Wolf and Pretty Bear went under a flag of truce and made treaties with the U. S. government.

Dr. White Wolf came to Goldfield in its early days. He helped to organize the Goldfield mining district and was present when the town of Goldfield was named. He had many interests there and built the first frame house in the town. He is now at Tonopah and has many mining interests in the Divide, Silverzone and Bellehelen, out of which he expects to make a stake and then spend the balance of his days in doing mission work among the Indians.

Eager to get in touch with their relatives in their home land, France, about whom they have been anxious all during the world war, quite a number of Catholic priests in the bay district from San Rafael to San Jose are now en route to the war-torn country, following the recent modification of passport restrictions. Among them are two priests from St. Patrick's Catholic seminary at Menlo Park, Rev. J. M. Oubard, A. M., S. T. L., professor of dogmatic theology, and Rev. A. M. Peltier, A. M., J. C. L., professor of Greek ,French, and History of Christian Doctrine, are the two from the Menlo Park institution who are taking the journey. These two divines have not been in touch with their kinfolks in France since the war opened, and are eager to learn who are survivors, and what their condition.

Very Rev. H. A. Ayrinhac, D. D., L. L. D., rector, president of the seminary, and professor of moral theology and canon law, is enjoying a vacation in Lake County. He is accompanied by Rev. L. F. Meil, A. M., professor of Latin, Greek, French and Gregorian chant.

Father Kunkel, business manager of the seminary, has gone to Louisville, Ky., to attend the taking of the veil by his sister, who is to become a nun.

Father Arbez, professor of Oriental galanguages, is at the University of Washington, D. C., teaching at the summer school being in charge of the department of Semitic languages.

Rev. G. L. Harig, A. M., professor of natural sciences, is spending a vacation in Louisville, Ky.

The seminary will open for the fall erm on September 3.
